

**10X Point Multipliers Rules
Reel and Video Reel Slot Machines
Wednesdays
April 3 – June 26, 2019
OFFICIAL RULES**

You must be a new or existing member of the Hooters Rewards Club to participate in the 10X point multipliers promotion.

Participants may earn up to a maximum of 120,000 points from point multipliers each day.

Points earned from point multipliers may NOT be redeemed for Free Slot Play.

Each Hooters Rewards Club member may participate in the Point Multipliers Promotion by having their Hooters Rewards Club card inserted in certain slot or video slot machines during the designated times.

It is the responsibility of the participant to make sure their Hooters Rewards Club card is properly inserted into a slot or video slot machine during the Point Multipliers Promotion times if they would like to participate. If a Hooters Rewards Club card is not properly inserted into a slot or video slot machine, then that participant will not be eligible for a point multiplier.

It is the responsibility of participants playing prior to midnight on multiplier days to take their Hooters Rewards Club card out of the included slot or video slot machine and reinsert it to receive the correct point multiplier.

Hooters Casino will not be responsible for any machine malfunctions or Hooters Rewards Club card problems that may limit or prevent a participant from being able to participate in the Point Multiplier Promotion.

Participation in the point multiplier promotion implies an understanding and acceptance of the Official Rules. Rules will be posted at the Casino Host Office and Casino Cage and are available in hardcopy.

All participants must be 21 years of age or older and a member of the Hooters Rewards Club. Membership is always free.

Hooters Casino Hotel employees and their immediate families are not eligible to participate in the point multiplier promotion.

Management reserves the right to cancel, change or modify the promotion without prior notification.
